

CONTENTS

SECTION 1. FLORA AND VEGETATION

Asclepias syriaca L. (*Asclepiadaceae* Borkh.) as an invasive ecocene element-transformer of the anthropophyton of the urban flora of Kyiv megapolis

Novosad K. V. 5

SECTION 2. EXPERIMENTAL BOTANY

Adaptation changes of *Nicotiana tabacum* L. under the influence of heavy metals

Bronnikova L. I., Khomenko L. O. 9

SECTION 3. ECOLOGY

Alternative models of event risks for ecological systems

Voloshyn V. S. 12

Floristic and ecological structure of the vegetation cover of solid waste landfills in the Zakarpattia region

Dochynets V. V., Iliashevych M. M., Popovych V. V. 17

Ecological state of the coastal zone of the Styr River

Kopylov V. P., Shuplat T. I., Popovych V. V. 22

Impact of meteorological conditions on the migration and accumulation of heavy metals in landfill soils of tourist areas in Lviv region

Korol K. A., Popovych V. V., Bojko T. V. 26

Gasification of coal-containing waste

Lysyy N. R., Helesh A. B., Popovych V. V. 30

Accumulation of heavy metals by aquatic macrophytes of Kyiv city lakes and their role in biomonitoring and phytoremediation

Pasichna O. O., Platonov M. O., Godlevska O. O. 35

Environmental hazards of waste in the context of military operations

Skyba T. K., Popovych V. V. 39

Application of Geoinformation Technologies for Modeling Nitrate Accumulation Risk Zones in the Soils of Polissya under Intensive Land Use Conditions

Stashuk M. O. 43

Man-made safety and natural phytomelioration of coastal and water areas of the mining complex

Tyndyk O. S., Popovych V. V., Shuplat T. I. 47

SECTION 4. MEDICAL AND BIOLOGICAL RESEARCH

Methodological aspects of the organization
of student research activities in biology

Pohorila I. O., Romanenko O. V., Hurniak O. M. 51

SECTION 5. PHYSICAL AND GEOGRAPHICAL RESEARCH

Landscape-Ecological Approaches to Restoring Natural Landscapes
and Developing Urban Ecosystems the case of recreational zone construction
in Kyiv

Zelenchuk I. D. 55

Snowfalls of the SHP category (natural hydrometeorological phenomena)
on the territory of Ukraine stretched 2020–2023

Pyasetska S. I. 58

SECTION 6. FEATURES OF TRAINING SPECIALISTS IN NATURAL SCIENCES

Medical parasitology as a component of physical therapy student training

Panchuk O. V., Kostylov O. V., Romanenko O. V. 63
