

## CONTENTS

### **ACTUAL PROBLEMS OF THE DEVELOPMENT OF LANGUAGE SUBSYSTEMS: EUROPEAN DIMENSIONS**

#### **Chapter 1**

<b>Theoretical core concepts in developing the higher education in Scandinavian countries (Bondarenko O. I.) .....</b>	<b>2</b>
1. Humanistic trends in modern education in Scandinavian countries .....	3
2. Theoretical basis for building the educational process in terms of self-realization .....	9

#### **Chapter 2**

<b>The verbalization of the “Time” and “Space” concepts in the political war discourses of Great Britain and the USA (Verovkina O. Ye., Ivashkevych E. E., Mykhalchuk N. O.).....</b>	<b>27</b>
1. The theoretical analysis of scientific sources and the methods of solving the problem .....	28
2. The analysis of the concept "time" verbalization in the American and British political war discourses.....	32
3. The analysis of the concept "space" verbalization in the American and British political war discourses.....	40

#### **Chapter 3**

<b>Stylistic means of creating urban landscape descriptions in English prose (on the base of the story “Christmas Carol” by Ch. Dickens) (Humeniuk I. L.) .....</b>	<b>55</b>
1. Figurative means of the paradigmatic level .....	58
2. Expressive means of the syntagmatic level .....	61

#### **Chapter 4**

<b>Structural-semantic and functional features of the onymic paradigm of television discourse (Pakhnenko I. I., Tielietova S. H.) .....</b>	<b>68</b>
1. Onyms as iconic units of television discourse .....	70
2. Structural organization of the onymic component of television discourse.....	73
3. Pragmatic potential of means of linguistic expressiveness for the implementation of communicative functions of televisiononyms .....	77
4. The role of numerals in the onomasticon of television discourse .....	81

## Chapter 5

<b>General characteristics of English language proficiency levels (Sydorenko O. L.) .....</b>	<b>91</b>
1. The emergence of prerequisites for assessing the level of English proficiency .....	92
2. Overview of English language levels .....	92

## LANGUAGE AND INTERCULTURAL COMMUNICATION

## Chapter 6

<b>Development of intercultural competence in foreign language learning (Bielykh O. M.) .....</b>	<b>104</b>
1. Theoretical foundations of intercultural competence .....	108
2. Practical aspects of intercultural competence development .....	112
3. An interdisciplinary approach to foreign language learning involves a rich exploration of cultural diversity, interwoven with lessons in literature, geography, and history .....	117

## Chapter 7

<b>Linguistic Features of Songs in Contemporary Ukrainian Music as a Tool of Intercultural Communication: Territorial Variants and Language Identities (Zinchenko O. Z.) .....</b>	<b>125</b>
1. The Song Genre in Intercultural Communication: Literary Language, Folk Speech, and Their Interaction .....	126
2. Territorial Dialects of Ukraine in Contemporary Music: Northern, Southwestern, and Southeastern Dialects .....	129
3. Linguistic Accents of Modern Ukrainian Bands: Cultural Influences and Language Identity .....	138

## Chapter 8

<b>Intercultural communication and sensitivity: theoretical and philosophical foundations (Ihnatova O. M.) .....</b>	<b>150</b>
1. The philosophical concept of intercultural communication .....	153
2. Theoretical Frameworks for Intercultural Sensitivity Development .....	173

## Chapter 9

<b>Overcoming grammatical interference in multilingualism (Kiyko S. V., Rubanets T. V.) .....</b>	<b>188</b>
1. Theoretical and methodological principles of overcoming grammatical interference in the context of learning several foreign languages .....	189
2. Linguistic aspects of grammatical interference in the process of learning several foreign languages .....	191
3. Methodological principles of overcoming grammatical interference on the basis of a rational approach when learning several foreign languages ..	195

4. Exercises to overcome grammatical interference on the basis of a rational approach when learning several foreign languages.....	197
5. Experimental verification of the effectiveness of the proposed methodology for overcoming grammatical interference.....	200

## Chapter 10

### **Linguostylistic Features of B. Johnson's Political Discourse on the War in Ukraine (Pogorila A. I.)..... 210**

1. Linguistic features of political discourse .....	211
2. Political Speech in Linguistic Studies.....	218
3. Pragmatism of Stylistic Devices in B. Johnson's Speeches.....	224

## Chapter 11

### **Challenges in translating English vocabulary of military sphere in contemporary media into Ukrainian (Savina Yu. O) ..... 233**

1. Military vocabulary within specialized vocabulary .....	234
2. Military vocabulary as an inseparable constituent of contemporary media .....	237
3. Military vocabulary in media as a translation challenge .....	240

## **EUROPEAN INTEGRATION PROCESSES AND THEIR IMPACT ON TRAINING FOREIGN LANGUAGE SPECIALISTS**

## Chapter 12

### **European integration processes and their impact on the training of Master's degree interpreters in the field of foreign language competence (Albota S. M., Romanyshyn N. I.)..... 250**

1. The problem's prerequisites emergence and the problem's formulation ....	251
2. The analysis of existing methods for solving the problem in accordance to the grant objectives.....	254
3. The grant program features integrated within the European Union requirements.....	257
4. Providing modules of courses within The European Union grant program....	260

## Chapter 13

### **Tolerance as a tool of multicultural society (Barantsova I. O.)..... 268**

1. Interethnic relations in a multicultural society .....	269
2. Culture of interethnic relations and factors of its development.....	275
3. Empirical indicators of the culture of interethnic relations.....	279

## Chapter 14

### **Embracing opportunities for multilingual learning environment in European and Ukrainian HEIs (Bilotserkovets M. A., Fomenko T. M.)..286**

1. Multilingual tendencies in European HEIs.....	287
--	-----

2. Opportunities for multilingual space creation in Ukrainian HEIs .....	296
--	-----

## Chapter 15

<b>Improving Students' Communicative Competency within the Scope of ESP Teaching and Learning at Ukrainian Higher Educational Establishments (Hildebrant K. Y.).....</b>	<b>310</b>
--	------------

1. Communicative approach to FLT .....	312
2. Collaborative learning. Pair work and teamwork .....	315
3. Communicative grammar teaching.....	318

## Chapter 16

<b>Sociocultural interference in the formation of audiovisual skills in the context of learning German as a second foreign language (Kiyko S. V., Kudriavtseva O. D.).....</b>	<b>329</b>
--	------------

1. Sociocultural competence and sociocultural interference .....	331
2. Problems of developing audiovisual reception skills.....	336
3. Methodological principles for creating a set of socio-culturally oriented tasks based on the material of German television .....	338
4. Socio-cultural orientated tasks on German television material.....	340
5. Experimental testing of the proposed set of tasks on the material of German television .....	342

## Chapter 17

<b>European Integration: Enhancing Physicians' Language Competence (Lichman L. Yu., Mykhailenko L. A., Davydenko N. V.) .....</b>	<b>350</b>
---	------------

1. European Integration and Its Impact on Medical Education.....	351
2. Foreign Language Proficiency: A Critical Component of Medical Professional Education.....	353
3. Methods for Developing Foreign Language Competence in Medical Professionals .....	355
4. Problems and Prospects of Developing Foreign Language Competence in Medical Professionals.....	357
5. International Experience in Developing Foreign Language Competence Among Medical Professionals .....	359
6. The Role of Language Examinations in Medical Training .....	361
7. Cultural Competence and its Role in Medical Practice .....	362

## Chapter 18

<b>Modification of Educational Programs for Foreign Language Skills at the Universities of Ukraine during Crises within the Context of European Integration (Chykalova M. M.) .....</b>	<b>367</b>
---	------------

1. The key challenges in adapting educational programs .....	368
--	-----

2. The impact of European integration processes on the improvement of foreign language curricula in line with the needs of students in crisis situations.....	375
---	-----

## **THE IMPACT OF EUROPEAN INTEGRATION ON INTRODUCING INNOVATIVE TECHNOLOGIES IN THE EDUCATION SYSTEM**

### **Chapter 19**

<b>Distance learning in the training of sports specialists in the context of European integration</b> <b>(Bondar A. S., Petrenko I. I., Petrenko V. O.) .....</b>	<b>383</b>
1. Organization of distance learning in the training of future specialists in the field of sports .....	384
2. Development of soft skills in future specialists in the field of sports in the process of distance learning.....	388

### **Chapter 20**

<b>Multimodal teaching of English for professional purposes in the context of European integration of pedagogical education in Ukraine</b> <b>(Yemelianova D. V.).....</b>	<b>402</b>
1. The influence of European integration processes on the formation of foreign language competence in the training of higher education specialists .....	403
2. Experimental research work on the introduction of English for professional purposes into the educational and professional training of future teachers of non-language specialties.....	409
3. Application of problem-based learning in teaching English for professional purposes to future teachers of physical education, sports and rehabilitation in the aspect of European integration.....	414

### **Chapter 21**

<b>Creation of electronic training courses based on the example of the course “Geological and hydrodynamic modeling of hydrocarbon deposits” (Mykhailovska O. V.).....</b>	<b>434</b>
1. Basic concepts of the electronic training course of the discipline.....	434
2. Experience in using distance learning elements in the educational process (using LMS MOODLE).....	436
3. Visualization of the geological model and posting of results in an electronic course.....	442

## Chapter 22

### **Modern Trends in the Development of Education in the Context of European Integration (Pokhylenko I. S., Akimov M. O.) .....447**

1. Literature Review and Methodological Approaches to Education Development .....448
2. Harmonization of Ukrainian Legislation with EU Standards in the Field of Education.....453
3. Analysis of the Survey of Participants in the Educational Process.....455

## Chapter 23

### **Content aspects of correctional and developmental work with children with special speech needs (Ribtsun Yu. V.) .....469**

1. Development of multimodal channels of perception.....470
2. Improving praxis functions through the prism of speech .....475
3. Activation of cognitive and speech functions .....478

## Chapter 24

### **Globalization of educational programmes: the perspective of German-speaking countries (Soloshchenko V. M.) .....489**

1. Internationalization of higher education: the global dimension.....492
2. Internationalization of higher education: the European dimension .....496

## Chapter 25

### **Using SMART technology to form environmental competence of education seekers (Truten A. V.) .....502**

1. The role of SMART technologies in education .....503
2. Advantages of using SMART technologies in education .....508
3. Innovative approaches to the use of SMART technologies for the formation of environmental competence of students .....512

## Chapter 26

### **Implementation of innovative distance learning technologies in the educational process of higher education institutions (Chernyakova Zh. Yu.) .....1**

1. Determination of factors and challenges for innovations in the higher education system .....2
2. The essential characteristics of the main research categories: «innovation», «technology», «innovative technologies» .....6
3. The peculiarities of implementation of innovative distance learning technologies into educational process in higher education institutions .....15
