

CONTENTS

SECTION 1. THEORETICAL AND METHODOLOGICAL FOUNDATIONS FOR DEVELOPING STRESS RESISTANCE IN STUDENTS WITHIN THE VOCAL AND CHORAL ACTIVITIES OF EDUCATIONAL INSTITUTIONS (Bardashevskya Ya. M., Muzyka L. A., Skilskyi M. S.).....	1
1. Scientific understanding of stress resistance in schoolchildren in a psychological, pedagogical, and educational context.....	3
2. Vocal and choral activities as a factor in developing students' stress resistance.....	10
SECTION 2. PROJECT-BASED TECHNOLOGIES IN A DIGITAL / BLENDED EDUCATIONAL ENVIRONMENT (Bilous I. I.).....	20
1. Conceptual Foundations of Project-Based Technologies: Didactic Potential and Principles of Activity Organization	22
2. Project Stages and the Pedagogical Functions of the Instructor in a Digital Environment: An Authorial Matrix of Pedagogical Design	27
3. Typology and Formats of Educational Projects: Implementation Risks and Mitigation Strategies	37
SECTION 3. INTEGRATIVE STRATEGIES FOR FORMING AND ASSESSING LEXICAL COMPETENCE IN ENGLISH LANGUAGE TEACHING (Borysova N. V.)	47
1. The concept of lexical competence and its main components.....	48
2. Formation of foreign language lexical competence	54
3. Pedagogical principles, types and forms of control of students' lexical competence	61
4. Analysis of traditional and modern means of controlling lexical knowledge in the learning process	64
SECTION 4. THE INFLUENCE OF AN AFTER-SCHOOL EDUCATION INSTITUTION ON THE PROCESS OF SOCIALIZATION OF A TEENAGER IN MODERN CONDITIONS (Vasylyeva-Khalatnykova M. O., Andreeva T. I.)	76
1. Analysis of the concept of “out-of-school education institution” in a historical context	77
2. The personality of a teenager as a subject of socialization in the educational environment	83
3. The influence of an after-school education institution on the socialization process of a teenager	86

SECTION 5. TRANSFORMATION OF HIGHER EDUCATION IN THE CONTEXT OF INDUSTRY 5.0: GUIDELINES AND PROMISING VECTORS OF DEVELOPMENT (Vysochan L. M., Stupak O. P., Pletenytska L. S.).....	93
1. Theoretical foundations of Industry 5.0 and its significance for higher education.....	94
2. Main trends in the transformation of higher education.....	97
3. Contradictions in the implementation of Education 5.0 in Ukraine	98
4. Promising vectors for the development of higher education transformation in the context of Industry 5.0 for Ukrainian higher education institutions.....	100
SECTION 6. THE USE OF INTERACTIVE TEACHING METHODS IN THE PROCESS OF LEARNING ENGLISH FOR PROFESSIONAL PURPOSES IN A HIGHER MEDICAL EDUCATIONAL INSTITUTION (Vitsiuk A. A.).....	107
1. Analysis of existing methods of teaching English for professional purposes to medical students	108
2. Analysis of interactive teaching methods in a modern medical institution of higher education	112
SECTION 7. WORLDVIEW IN THE ETHICAL AND PRAXEOLOGICAL MIRROR OF SOLDIERLY BEING: FROM ART TO BURDEN (Volynets M. V.)	122
1. Psychological determinants and ethical foundations of military service.....	123
2. The dynamics of the transformation of the worldview of military service.....	139
SECTION 8. THE PROBLEM OF SUBJECTIVATION OF MIGRANT WOMEN: SOCIO-PSYCHOLOGICAL ASPECTS (Hapon N. P.).....	161
1. Nomadic subjectivity of migrant women	163
2. Subjectivation of migrant women: communicative and socio-role aspects.....	168
SECTION 9. THE DEVELOPMENT OF A PROFESSIONAL COMMUNITY AS A MECHANISM FOR ATTRACTING, MOTIVATING AND ENGAGING ACADEMIC STAFF IN ACADEMIC ENTREPRENEURSHIP (Helzhynska T. Ya.).....	180
1. The use of community of practice principles in developing a professional community for the involvement of academic staff in academic entrepreneurship	182

2. Exploring the potential of the professional learning community as a model for developing academic staff toward academic entrepreneurship.....	187
3. The development of a professional community aimed at fostering academic staff involvement in academic entrepreneurship, grounded in the integrated framework of communities of practice and professional learning communities.....	190
SECTION 10. DEVELOPMENT OF STUDENTS' RESEARCH COMPETENCE DURING EXTRACURRICULAR BOTANY ACTIVITIES (Gniezdilova V. I., Standio V. V., Mykytyn T. V.).....	
1. The essence of students' research competencies in the context of the modern educational process	205
2. Developing research competencies in the school biology curriculum.....	208
3. Practical implementation of students' research activities using lichen bioindication as an example.....	211
SECTION 11. ARTIFICIAL INTELLIGENCE AS A CATALYST FOR TRANSFORMATION OF THE EDUCATIONAL ENVIRONMENT: DEVELOPMENT OF FUNCTIONAL LITERACY OF TEACHING STAFF (Dudko N. V.).....	
1. Theoretical and methodological foundations of forming teacher's functional literacy in the context of digitalization	225
2. Integration of communicative and digital dimensions in forming teacher's functional literacy in the era of artificial intelligence	229
3. Perspectives for the development of teachers' functional literacy in the era of artificial intelligence integration	236
SECTION 12. SELF-EDUCATION ACTIVITY OF TEACHERS AS A PHILOSOPHICAL AND PEDAGOGICAL PHENOMENON IN THE SYSTEM OF PROFESSIONAL DEVELOPMENT (Zhukova A. R., Skalska S. M.)	
1. Self-education activity of teachers as a philosophical and pedagogical category.....	249
2. Features of self-education activity of teachers in the system of professional development	253
SECTION 13. DESIGNING DIGITAL CONTENT FOR DISTANCE ENGLISH LANGUAGE LEARNING IN SENIOR HIGH SCHOOL: SELECTION AND ADAPTATION (Zabolotna T. V.)	
1. Analysis of the Didactic Opportunities for Distance English Language Teaching in Secondary Schools.....	264

2. Methodological Features of Teaching Language Material for a Distance Learning Course for Senior High School Students	275
SECTION 14. USE OF DIGITAL TOOLS IN UPBRINGING OF MODERN ADOLESCENTS	
(Kyrychenko V. I., Bezruk K. O., Necherda V. B.).....	289
1. Educational potential of digital tools in working with adolescents, purpose and methods of research	290
2. Results of the research concerning use of digital tools in the education of modern adolescents.....	298
SECTION 15. FORMATION OF FUTURE PRESCHOOL EDUCATORS' METHODOLOGICAL COMPETENCE IN THE FIELD OF ARTISTIC AND SPEECH ACTIVITY USING THE EXAMPLE OF WORKING WITH POETIC WORKS IN PRESCHOOL EDUCATIONAL INSTITUTIONS	
(Kovalenko O. M., Yemets A. A.)	309
1. Peculiarities of organizing activity with poetic works in the early and younger preschool age groups.....	311
2. Modern technology application in lessons on memorizing poems in senior and middle groups of preschool educational institutions.....	316
SECTION 16. DIDACTIC ASPECTS OF TRAINING HIGHER EDUCATION TEACHERS FOR ACTIVITIES RELATED TO SUSTAINABLE DEVELOPMENT AND SOCIAL COHESION OF COMMUNITIES (Kovalchuk G. O.).....	
1. Theoretical and legal basis of the study. Conceptual approaches to defining social inclusion for ensuring education for all	325
2. Psychosocial aspects of teacher training in socially inclusive education for sustainable development.....	328
3. Ensuring the development of an inclusive and equitable environment through education for all	332
4. Ensuring the development of an inclusive and equitable environment through education for all	335
.....	339
SECTION 17. TRANSFORMATION OF FOREIGN LANGUAGE TRAINING INTO A TOOL FOR COGNITIVE MASTERY OF NATURAL SCIENCES: A STEM APPROACH	
(Koliada E. K., Sheludchenko S. B.).....	349
1. The genesis and dimensions of integrating English and natural sciences: a cognitive perspective in modern schooling	350
2. Integration of Natural Sciences and Humanities in STEM Education: Methodology for Designing and Implementing an Integrated Lesson	354

3. Evaluating interdisciplinary competencies in education: from scientific accuracy to soft skills.....	359
SECTION 18. METHODOLOGICAL MODEL OF TRAINING FUTURE INFORMATICS TEACHERS BASED ON PSYCHOSOCIAL DEVELOPMENT AND CRITICAL THINKING (Kosovets O. P.).....	
1. Analysis of scientific research and publications	366
2. Theoretical foundations of the research	368
SECTION 19. THEORETICAL AND METHODOLOGICAL FOUNDATIONS OF USING ARTIFICIAL NEURAL NETWORKS IN SPEECH-LANGUAGE PATHOLOGY PRACTICE (Kurienkova A. V.).....	
1. Neural network technologies in contemporary speech-language pathology	389
2. Pedagogical model for implementing artificial neural networks in speech-language pathology practice	394
3. Practical aspects of applying artificial neural networks in speech-language pathology practice	403
SECTION 20. FOREIGN LANGUAGE EDUCATION AT UNIVERSITIES: COMPETENCE-BASED DISCOURSE (Lichman L. Yu., Kositska O. M., Brodska L. V.)	
1. Theoretical Foundations of Competence-Based Discourse.....	414
2. Component Structure of Foreign Language Professional Communicative Competence.	416
3. Methods of Implementing Competence-Based Discourse in the Educational Process.	417
SECTION 21. FEATURES OF INTEGRATING OLDER PRESCHOOL AND YOUNGER SCHOOL-AGE CHILDREN WITH INTELLECTUAL DISABILITIES INTO THE ENVIRONMENT OF THEIR PEERS IN AN INCLUSIVE EDUCATIONAL INSTITUTION (Lukanova L. O.).....	
1. Features of socialisation and communication of typically developing children and their interaction and communication with children with special educational needs	423
2. Creating an atmosphere of tolerance in a children’s group in an inclusive space	427
3. The decisive role of the teacher in preparing children with typical development to accept their peers with special educational needs and unite the children’s group.....	430

SECTION 22. INTEGRATED LIFECYCLE MANAGEMENT OF INFORMATION SYSTEMS AS A PEDAGOGICAL TOOL TO DEVELOP IT SPECIALIST COMPETENCIES (Luchkevych M. M., Shakleina I. O.)	434
1. Integrated information systems life cycle management in the context of modern IT education.....	435
2. Pedagogical potential of integrated IS management in the formation of professional and meta-competences	439
3. Integration of IS development and maintenance management practices into the educational environment of a higher education institution	446
SECTION 23. ADULT LONELINESS AND THE POTENTIAL OF AN INNOVATIVE EDUCATIONAL ENVIRONMENT: A SOCIO-PSYCHOLOGICAL ANALYSIS (Malimon V. I.)	455
1. Theoretical Foundations of the Socio-Psychological Analysis of Adult Loneliness	456
2. An Innovative Educational Environment as a Resource for Adults' Social Inclusion and the Reduction of Loneliness	467
SECTION 24. TERTIARY PREVENTION OF NON-COMMUNICABLE DISEASES AS THE PSYCHOLOGY OF SOCIAL COMMUNICATIONS (Maltseva O. B., Samoilenko S. M.).....	483
1. Communicative strategies in tertiary prevention of chronic pathology of internal organs.....	484
2. Analysis of existing methods for solving the problem of social communication psychology services in order to improve the effectiveness of tertiary prevention measures.....	488
3. Tertiary prevention of non-communicable diseases as the psychology of social communications.....	493
